ABOUT ANITA PLACE

Contemporary Modern, new construction home with private driveway, and gated back yard. First floor living and all bedrooms upstairs. Large entry into a spacious foyer on the first floor leads into high style finishes. Kitchen features include high-end style cabinets, quartz counter tops, stainless steel appliances, large kitchen island, gas stove and recessed lighting. Large windows bring in tons of natural light. The second floor features all three bedrooms with on suite and your Master retreat. Free standing tub, double vanity and separate shower with an large walk in closet. Currently under construction - to be complete by January 2020. Conveniently located in the Greater Third Ward, walking distance to the newly Emancipation Park/ Community Center. Minutes from downtown, midtown, sports stadiums and plenty of restaurants for entertainment. Built by Zitro Custom Homes.
