About Rotman Heights

DESCRIPTION

Situated in the rapidly developing East End of Houston, Texas, this new construction home embodies contemporary style and living. Located near the new East River development, residents will have convenient access to a vibrant and evolving neighborhood with an array of amenities. The first floor seamlessly integrates the living room, dining area, and kitchen, creating a cohesive and versatile space for everyday living and hosting guests. Large windows allow ample natural light to fill the rooms, creating an inviting ambiance. The kitchen boasts a contemporary design with sleek countertops, high-quality appliances, and ample storage space. It is equipped with modern conveniences, making it a chef's delight and an ideal gathering spot for family and friends. The upstairs flex space is becoming one of our favorite areas in the home. These homes are scheduled to be completed and ready for move-in early August 2023.
